CERTIFICATE OF COMPLETION

This is to certify that

JANANI

has successfully completed the course in

MERN STACK DEVELOPMENT

Successfully completed a 6-month MERN Stack Development course at BY8labs, gaining hands-on experience in full-stack web development. Worked with MongoDB, Express.js, React.js, and Node.js to build responsive and scalable web applications. Developed practical skills in frontend and backend development, REST API integration, authentication, database management, Git/GitHub version control, and deployment. Participated in real-time projects, debugging, testing, and collaborative development workflows to strengthen industry-ready development skills.
