Training & Development & Placement

CERTIFICATE OF COMPLETION

JANANI

MERN STACK DEVELOPMENT

This is to certify that the student has successfully completed the MERN Stack Developer course with dedication and consistent performance. During the course, the student gained practical knowledge in MongoDB, Express.js, React.js, and Node.js, along with frontend and backend development concepts. The student actively participated in project development, coding tasks, and real-time application building, demonstrating strong technical skills, problem-solving ability, and commitment toward becoming a professional full stack web developer.
